## Invitation

Dear Friend of the Dundas Cactus Festival,

This year we are excited about the 44th annual Cactus Festival of Dundas, Ontario. We are planning for three fun-packed days of music, events, and amazing products. We are excited for you to join us from August 16th – 18th, 2019, as we welcome well over 100,000 visitors to one of the best family and arts festivals of the summer!

Based on the responses of our visitors and participants we've expanded the "Kids Fun Zone", including the very popular **Baby Cactus Contest**, The **Cactus Express Train Ride**. With a new wide open location, as well as excellent placement for vendors we have created an amazing environment for interaction between our visitors and vendors. As always we will have a great selection of musical acts, with something for everyone! But of course, the Cactus Festival wouldn't be complete without you, our fabulous vendors – the most popular feature of the festival! So many visitors come back year after year to find the excellent products that you are here to provide for them.

The variety and quality of vendors our festival attracts is one of the key elements in its continuing success, and we thank each and every one of you for your part in that. Your participation is part of what has helped us be recognized as **one of the Top 100 Festivals in Ontario** by Festivals and Events Ontario!

The Cactus Festival of Dundas strives to celebrate and encourage our community life and to promote our town with this fun family event. The Committee aims to provide an opportunity for increased visibility of the range of helping services and charitable groups in the community, and to offer an opportunity to do some advertising or fundraising. We welcome all vendors, both local and international, offering unique and quality products to our visitors.

You must be prepared to participate in the entire festival:

**Friday, August 16th, 2019**      **6:00 p.m. – 10:30 p.m.**

**Saturday, August 17th, 2019**      **10:00 a.m. – 10:00 p.m.**

**Sunday, August 18th, 2019**      **10:00 a.m. – 4:00p.m.**

Please read the information in this Vendor Package carefully. It includes an information sheet, a copy of the rules for vendors/exhibitors, move-in and move-out procedures and an application form. Vendor spaces (especially for food vendors) fill up very fast, therefore, we encourage you to apply early to avoid disappointment.

Please make note that we have made some changes this year in regard to both our registration process prior to the festival and significant changes to the Green initiative and garbage processing process this year. All Vendors will be responsible for removal of their own waste. We will have green waste stations located along the route. **Clear garbage bags only will be acceptable for our festival. Please ensure you are fully compliant with waste and wastewater management. Any vendors found in violation of not removing their own waste daily or using black or green garbage bags will be asked to leave the festival.** We strive to listen to our vendors, and make sure this is an enjoyable and profitable weekend for all ~ respectful feedback is welcomed!

Best Regards,

Cathy Fisher

# Fees

Please note the “Early Bird”, “Regular Fee” and “Late Fee” sliding rate dates. These dates are new and strictly adhered to. Payments made after the late fee deadline must be by **CERTIFIED CHEQUE OR CASH**. Payments made at the registration desk at the festival must be **CASH ONLY**. The deadline dates refer to the postmarked date on your envelope, and payment must be received within that envelope. Payments dishonored NSF, or applications received without payment will not be processed until the date the actual payment is received.

It is in your interest to apply early: Spaces are allotted on a “First Come, First Served” basis.

While we attempt to accommodate specific location requests, due to many factors, we are not in a position to promise allotments. Also, absolutely no locations will be advised prior to the date of the festival. We value our returning vendors, and will accommodate where possible.

Please be aware that we get many hundreds of emails and requests on a weekly basis, especially as we draw closer to the festival dates. We are not able to respond at all to requests for spot locations, pre-arrangements for registration, or other “location” related issues. Site assignments are not finalized until the last few weeks prior to the festival and are subject to frequent revisions right up to festival dates. As you will note later in this package, registration procedures have changed to reflect better access for returning vendors and site assignments.

## Vendors – (Non-Food)

Vendors selling products, artwork and services are encouraged to participate. We also welcome creators of handicrafts and original pieces. As the Vendor Committee, we are seeking the highest quality and variety of products to show our visitors. We know there are products that appeal to every segment of our community, and are committed to a diverse and exciting group of vendors. We know vendors are also one of our best sources of referrals, so please tell fellow vendors who haven't had the opportunity to attend our show in the past what a great weekend it is!

## Food Vendors – Any product that you can eat or drink is considered “food”.

We have a limited number of spaces available for food vendors, and again strive to provide a high quality and diverse group of products for everyone's enjoyment. If you are a Food Vendor you should be very familiar with the current guidelines from the City of Hamilton Public Health Dept. and ensure that your booth is in exact compliance with them. You will receive a detailed package from us well in advance of the Festival to ensure that there is ample time to achieve 100% compliance. The Public Health Dept. is present on site for the entire Festival to ensure compliance, and we have no impact or discretion as to any decision they make for the Public Good. If your Vendor space is not in compliance the Dundas Cactus Festival will not be issuing any refunds or compensation for booths that have “lost time” due to needing to change their sanitation practice.

Please also note that there are no Food Vendor applications accepted after the deadline of July 8, 2014. We as a Committee have no impact on the processing time for the City of Hamilton Public Health Department. There needs to be more than sufficient advance time provided in order for their processing time frame, and no exceptions can be made. If you are too late to apply, please know that we would love to have an early application from you next year! **It is VERY IMPORTANT that as a Food Vendor you complete and return your Public Health Department forms to be processed WITH YOUR APPLICATION FORM.**

A copy of the current guidelines will be available on our website, or you can use this link:  
<http://www.hamilton.ca/HealthandSocialServices/PublicHealth/FoodSafety/SpecialEvents.asp>  
for the City of Hamilton Public Health site.

## Charities

Charities and Service Groups are considered registered non-profit organizations with a public service to offer who do not sell any products as part of their purpose at the festival or at any other time. For example: Boy Scouts, Charity fundraising groups, etc.

## ELECTRICITY

### **WE DO NOT PROVIDE POWER**

If you require electricity it is your responsibility to make your own arrangements. Suggested sources: a small (quiet as possible) generator, propane lamps, or negotiate with a local resident or merchant to obtain access to their hydro supply. Local residents and merchants would be providing this hydro as a favor and a courtesy to support vendors at the Festival. It is suggested that you make any request in a courteous manner, and if they are agreeable it would be appropriate to offer a small fee of \$20 for this service. Be sure to bring sufficient electrical extension cords with you. SOME of our street lights have hydro plug-ins that are able to be used. There is no predictability as to which poles have hydro, and have been known to change based on use through the year.

## CONFIRMATION

Your confirmation of acceptance as a vendor at our festival is your cancelled cheque or receipt for cash (if hand-delivered). Please note that we may collect cheques for a weekly deposit, so may have received your payment days prior to actually depositing it. Do not be concerned! We make careful note of the arrival of payments to ensure that all are properly credited for speedy applications. If you still wish to verify that we have received your application and payment you may email us at [dundascactusfest@gmail.com](mailto:dundascactusfest@gmail.com) , however please be patient for a reply.

## LOCATIONS

The location of your space at the Festival is allocated using a “First Come, First Served” system, based on the date your payment was received. We will always attempt to accommodate requests of previous year’s vendors, as we appreciate the contribution they have made to our festival. As a side note, both the configuration of our festival, several of our key attractions, and the retail landscape of the town has changed slightly since last year. We are taking this into account when allocating spaces, and are sure all our vendors will be pleased with the changes made.

No locations will be advised prior to arrival at the Festival. ~ NO EXCEPTIONS

## FESTIVAL DAY!

Upon arrival to town, please come to the Cactus Festival of Dundas Ontario Information Booth after 2pm. The information booth is located at the intersection of King and Sydenham St., in front of the TD Canada Trust Bank. If using GPS, the address of the bank is 82 King St. W., Dundas, ON L9H 1T9. Parking for large vehicles on the day of the festival may be limited, so please obey all signage. The Cactus Festival of Dundas Ontario is not responsible for any parking fines that occur while registering. It is helpful to arrive at the festival with sufficient manpower to register, set-up and ensure as stress-free a procedure as possible. Although we attempt to have extra volunteers available if necessary, do not count on this! For further details please refer to the Registration / Move-In/ Move-Out Procedure section of this package.

## SECURITY

As a Festival, we provide additional police coverage, Festival Detail, as well as pay for additional private security. The reason for this is to provide a deterrent for any vandalism or general mischief. There has not been an experience of targeted theft at our festival, HOWEVER you are completely responsible for your own possessions. It is suggested that unless you can secure your belongings within your enclosure you remove your stock and equipment at the end of the festival day. The “Cactus Festival of Dundas Ontario”, its agents or assigns accept no liability whatsoever for any loss, damage, or disruption to equipment or merchandise however caused, by person, weather or any other. Each participant acknowledges that attendance at the Festival is at his/her own risk, absolutely and that there is no promise, warranty or guarantee of business, sales volume, customers, or safety to equipment or persons expressed or implied. **WE DO NOT PROVIDE OVERNIGHT SECURITY.**

## REGULATIONS AND GUIDELINES

Please read the rules for vendors / exhibitors attached to this application package. The Cactus Festival of Dundas Ontario Committee will consider submission of your payment for space as acknowledgement of the agreement to comply with all the guidelines as set out.

Upon arrival in town, please report to the Cactus Festival of Dundas Ontario Information Booth – AFTER 2 pm – at the corner of King and Sydenham streets, in the front of the TD Canada Trust building.

THE BOOTH DOES NOT OPEN UNTIL 2 pm on FRIDAY. At that time you will be advised of your location and receive your receipt and Vendor Permit which must be prominently displayed in your space throughout the Festival.

ABSOLUTELY NO LOCATIONS WILL BE ADVISED PRIOR TO THIS TIME – NO EXCEPTIONS ... really! We will not respond to emails or calls requesting location information.

### **Parking**

Municipal Parking lots and side street parking are available throughout the town. Normal parking bylaws and charges are applicable throughout the festival.

### **Move-In:**

Friday at 5 pm - The City of Hamilton does not close the King St. to vehicle traffic until 5 pm, and no Vendor is to set up, place product on curbside or in any way attempt to pre-occupy their assigned space prior to 5 pm. Depending on your location, you may be able to use the time between registering and street closure to unload product onto THE SIDEWALK ONLY between 4 and 5 pm. Please be very mindful of pedestrians and other street users. It is imperative that your set-up procedure does not impede pedestrian traffic or business traffic to local merchants. This is also a good time to approach local businesses or residents if you are requesting any access or rental of hydro. It is also suggested that you unload your vehicle at your allocated spot, remove your vehicle and then set up your display.

You **MUST** remove your vehicle from the street before 6 pm on Friday.

The Committee reserves the right to refuse the sales of certain products.

Failure to comply with the Festival Committee's policies will result in immediate eviction from the event without refund of fees paid.

The Fire Officer will strictly enforce the Fire Lane down the centre of the street.

**THERE IS NO VEHICLE ACCESS TO THE STREET DURING THE FESTIVAL;  
DO NOT DRIVE ON THE STREET during the festival FOR ANY REASON**

***Move-Out: Sunday at 4 pm***

The Festival Closes at 4 pm on Sunday and you must have completely vacated your location by 6 pm on Sunday.

The street does not reopen to traffic until 6 pm on Sunday – please be mindful of this fact when removing your booth from the street. No vehicles will be tolerated on the street before 4 pm.

These times are non-negotiable as we are regulated by the City of Hamilton. Failure to comply will jeopardize your acceptance at future festivals, and you may incur fines from the City of Hamilton.

It is imperative that all litter, debris, and product “remains” be carried with you in an appropriate manner, and that disposal of any festival supplies or refuse is the responsibility of the Vendor.

A speedy exit ensures a speedy acceptance next year! We do appreciate it, however any fines incurred for late departure will be forwarded to the offending Vendor.
